

SPART PARTS FOR BATTERY REMOTE SYSTEM

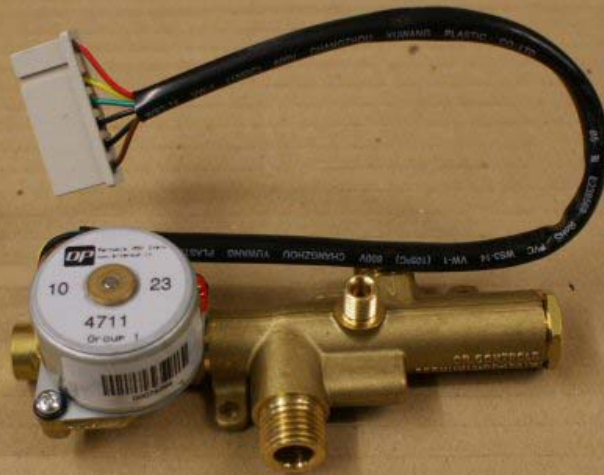

- NOTE:
 - Spare Parts must be fitted by a Qualified Gas Engineer.
 - CVO Fire will not accept any claims for the wrong parts being ordered.
 - Spare Parts are supplied on a non-returnable basis.
 - Before accepting your order you will be asked to provide:
 - The type of fire the parts are required for.
 - The manufacturing date of the fire.
 - The serial number of the fire.
 - The gas type of the fire.
 - All of these are shown on the Data Plate.
 - In order to repair and service the fire an official installation manual is required. If this is not available it will be added to your order.
- HOW TO ORDER
 - Use the images attached to decide which components you require.
 - Make a list of the “Part Codes” required.
 - Call 01325-327221 and ask for customer services.
 - Provide the required information as stated above.
 - Once you have given the list of parts required, we will confirm the total price of the parts.
 - If you want to proceed with your order you will be required to pay via card payment so please have your card payment ready.
 - The parts will be shipped within 7 working days by registered mail.
 - No claims will be accepted for non-receipt of the goods once the parcel is signed for at the required delivery address.
 - Ask for our circuit diagrams and fault finding guide.
